SPECIALIZED TRANSPORTATION – DEDICATED TEAM

Extensive Industry Experience: With over 100 years of combined experience in the freight brokerage business, Freight Partners Group has honed its skills in handling various types of cargo, including oversized and overweight loads. Trust us to navigate the complexities of heavy haul transportation seamlessly.

Reliable Carrier Network: Our vast network of qualified and reliable carriers specializes in heavy haul transportation. We have established strong partnerships with carriers and riggers who possess the necessary equipment, permits, and certifications to handle Over-Size & Over-Weight loads.

Tailored Solutions: We understand that each heavy haul project is unique, requiring a customized approach. Our team works closely with you to develop tailored transportation solutions that meet your specific requirements, ensuring your cargo reaches its destination safely and on time.

Compliance and Safety: Safety is our top priority. Freight Partners Group adheres to all industry regulations and ensures that our carriers maintain compliance with local, state, and federal laws. We conduct rigorous safety checks to guarantee that your cargo is handled with utmost care throughout the transportation process.

Technology-driven Solutions: Our advanced technology platforms enable real-time tracking, seamless communication, and efficient coordination between all stakeholders involved in the transportation process. You can stay informed and always updated on the status of your shipment.

Why Partner with Freight Partners Group for all your heavy haul equipment needs and experience?

- **Efficient and reliable service**
- **Cost-effective solutions**
- **Seamless coordination and communication**
- **Extensive industry knowledge and expertise**
- **Committed to meeting deadlines**

ALL YOUR SHIPPING IN ONE EASY TO USE PLATFORM

Freight Partners Group Proprietary EZShip Platform provides a “One Stop Does It All” experience:

- **EDashboard** – gives a snapshot of all shipping, invoicing and brings critical items to your attention such as claims, invoice disputes and delayed shipments.
- **Quote and Ship** – get a quote and ship utilizing FPG’s intuitive platform informing you when the location is a residential delivery, or the location requires a lift gate.
- **Tracking** – all your tracking details in one place showing current location and status.
- **My Shipments** – a complete history of all shipments including invoicing and associated documents.
- **Product Catalog** – save and retrieve items that are shipped on a regular basis with all the item’s details.
- **Addresses** – FPG stores all your addresses with full details so you can easily retrieve when shipping.
- **Claims** – no need to jump to another site to file a claim, that is all done within EZShip.
- **Invoices** – all your freight accounting at your fingertips! Pay, view, dispute, email, and review shipping documents in one place.
